## General Pet Water Safety

Water Sports and recreation can be a terrific way to spend quality fun time with your pet. Many dogs can enjoy the water for fun. Although cats can swim, they don't like it, despite what you've seen on *The Adventures of Milo and Otis*.

Whether you're considering taking your pooch on a boat, to the ocean, lake or swimming pool, always supervise your pet near any body of water and be prepared to intervene if he/she gets into trouble. To help keep your Pet Safe, make sure you

follow these simple common sense steps:

- Insure your Pet Can Swim
- Keep Fresh Drinking Water Available
- Use a Properly fitting Life Vest
- Have a First Aid Kit Available
- Develop a Plan for Pet Overboard
- Familiarize Your Pet with the Boat
- Store Chemicals Out of Pet Reach
- Don't Forget the Potty Break
- Protect Against Sunburn
- Carry Your Pet's Vaccination Record
- Protect Paws from Hot Decks
